Dear Electors:

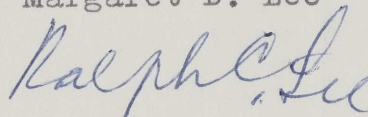

I visited the home of Clara Barton in Glen Echo, Maryland, and was chagrined to realize that I had known so little about her life and the work she engaged upon. The book, compiled by the American Red Cross, "Clara Barton and Dansville", gave me more insights into the life of this strong and remarkable woman.

In this Bicentennial and International Decade of Women, it is particularly appropriate that Clara Barton's contributions to our country be recognized. I strongly endorse her election to the Hall of Fame.

Sincerely,

Margaret D. Lee
